

TRANSPORTATION GROUP

PROVEN LEGAL EXPERTISE

Higgs Fletcher & Mack's Transportation Group delivers 100+ years of collective experience serving the legal needs of transportation industry companies and individuals.

From personal injury and cargo claims litigation to advising and counseling on a wide array of issues, our attorneys possess proven experience in a variety of transportation-related areas. We are committed to a philosophy of full-service representation with an emphasis on delivering positive, cost-effective results.

Our attorneys represent a wide range of transportation and transportation-related entities.

Our experience includes:

- Long-Haul and Short-Haul Motor Carriers
- Bus Systems
- Trolley Systems
- Logistics Companies
- Insureds
- Storage and Warehouse Facilities
- Manufacturers
- Brokers
- Freight Forwarders
- Moving and Storage Companies
- Hazmat Haulers

CUSTOMIZED, COST-EFFECTIVE LEGAL STRATEGY DRIVING POSITIVE RESULTS

The first priority of our Transportation attorneys is to clearly understand your company's specific business goals. We focus on developing a long-term partnership of trust and cooperation to achieve those goals.

We counsel our clients on policies and practices designed to minimize risk and claims exposure. When necessary, we defend claims utilizing a cost-effective strategy designed to minimize costs while maximizing success.

ALWAYS AVAILABLE

Our 24/7 Rapid Response Client Hotline is staffed by a live operator. Whether your matter involves a catastrophic accident, a freight dispute, or a hazmat spill, our attorneys can be reached for immediate, on-scene accident and catastrophic loss investigation and representation 24-hours a day, seven days a week through our toll-free Rapid Response Client Hotline.

The hotline provides access to a stable of industry leading transportation experts committed to rapid response and superior service, while ensuring our clients are properly protected via expert investigation, legal representation, and preservation of evidence. For access to the Rapid Response Client Hotline, please contact one of our Transportation Group members.
