

**STEVEN J. COLOGNE**

Steve Cologne is the Firm’s immediate past Managing Partner serving 2017-2023. He has since returned to his litigation practice and serves as a panel arbitrator.

In addition to his law practice, Mr. Cologne achieved the distinction of being certified as a Fellow in The Chartered Institute of Arbitrators (CIArb) effective May 2020. On May 4, 2020, he was admitted to practice law in the District of Columbia. In December 2020, he was appointed a Panelist with the American Arbitration Association (AAA). Mr. Cologne’s arbitration experience can be found [here](#).

Mr. Cologne joined Higgs Fletcher & Mack in 1999 after previously enjoying 15 years as an associate, partner and shareholder with the law firm of McInnis, Fitzgerald, Rees & Sharkey, then San Diego’s premier litigation firm. Currently, he focuses on defending clients in employment litigation, breach of contract disputes, trademark litigation, and other commercial litigation matters.

In his practice, Mr. Cologne devotes substantial time advising clients in pre-litigation situations to resolve potential disputes and avoid the uncertainty and cost of litigation. His significant trial experience is of great benefit to clients by achieving the result needed for continued future success of their business. Given the fact that litigation through trial is a painful experience for clients, this approach can save significant attorney’s fees and opportunity costs. Even successful litigation clients often express regrets about the time delay and cost for justice.

As an attorney for over 30 years, Mr. Cologne primarily represents businesses in complex litigation at the state and federal level. He currently serves as the primary litigation counsel for San Diego Unified School District on a variety of claims in State and Federal court.

As an arbitrator, Mr. Cologne focuses on complex commercial disputes, including in the areas of employment, construction and professional liability. His experience as managing partner of a law firm gives him a unique perspective as he is able to understand legal needs within a business context.
