

HEALTH CARE LAW

PROVEN HEALTH CARE ATTORNEYS

HFM's Health Care Practice Group provides representation to Physicians, Physician Groups, Hospitals, Ambulatory Surgery Centers, Rehabilitation and Residential Care Facilities, as well as other Allied Health Care providers and entities.

For decades, the attorneys in the Health Care Practice Group have successfully represented, and developed the trust of, local and national Health Care clientele, as well as their affiliated entities and insurers.

With a considerable depth of experience, the members of the HFM Health Care Practice Group provide counsel and representation to Health Care clientele in business organization, transactional, employment, risk management, litigation, regulatory and corporate compliance, administrative/licensing, and various other matters. Providing representation to the largest Hospital systems, Medical Groups of all sizes, national and local Ambulatory Surgery Centers, individual Physicians and other licensed Health Care providers and entities, the members of the HFM Health Care Practice Group understand, and are able to successfully address, matters of both local and State-wide complexity.

Uniquely complemented to provide services extending across business, transactional and litigation matters, the HFM Health Care Practice Group has demonstrated expertise in matters including:
