

TRUSTED LEGAL EXPERTISE

Tort & Insurance Law

HFM's tort liability defense attorneys have represented both domestic and foreign insurers in defending insureds covered by liability insurance.

With broad-based experience, attorneys in the firm's Tort & Insurance Practice Group have handled matters ranging from simple cases to complex litigation with multiple parties. In all situations, HFM's attorneys work hand-in-hand with clients to establish an effective case management strategy.

The attorneys who comprise HFM's Tort & Insurance practice have significant experience in the following areas:

- ▶ Accounting Malpractice
- ▶ Admiralty
- ▶ Automobile Liability
- ▶ Aviation
- ▶ Construction Defect
- ▶ Design Professional Malpractice
- ▶ Environmental and Toxic Waste
- ▶ Landowner Liability
- ▶ Legal Malpractice
- ▶ Medical Malpractice
- ▶ Officer and Director Liability
- ▶ Products Liability
- ▶ Real Estate Broker Liability
- ▶ Wrongful Termination

Our attorneys also have extensive experience in all types of insurance law matters, with a long history of successfully representing insurers and policy holders on matters of coverage opinions and in providing in-depth insurance policy analysis for policy holders to assist in securing policy benefits.

We also represent insurance companies in the defense of claims of bad faith. Through our extensive courtroom experience, our attorneys have the ability to foresee litigation costs and to seek alternate remedies such as arbitration, mediation or early settlement attempts. We have proven trial results and a history of early favorable settlements, abating the fees and costs that can be incurred in litigation.
