PROVEN ESTATE PLANNING & PROBATE ATTORNEYS

HFM's 80 year-history makes the firm a pillar in the San Diego community, and we are honored that our reputation has allowed our Trusts & Estates Practice Group attorneys to work with some of San Diego's largest and most historically significant families.

Our estate planning attorneys handle estate matters ranging from simple wills to complex trusts. HFM litigates cases involving wills, estates, and trust matters, including will contests, contested conservatorships, and fiduciary surcharge actions. We are fortunate to have been involved in some of the largest and most complex probate litigation in the history of San Diego County.
