TRUSTED LEGAL EXPERTISE

Transportation

With over 100 years of collective experience, HFM's Transportation Practice Group attorneys have worked with commercial transportation companies across all areas of transportation law, including trucking litigation and regulation.

Our transportation attorneys aim to clearly understand your company's specific business goals and focus on developing a long-term partnership of trust and cooperation to achieve those goals. We counsel our clients on policies and practices designed to minimize risk and claims exposure. When necessary, we defend claims utilizing a cost-effective strategy designed to minimize costs while maximizing success. Our experience and expertise includes representing a wide-range of transportation related companies and entities, including:

- ▶ Long-Haul and Short-Haul Motor Carriers
- ▶ Bus Systems
- ▶ Trolley Systems
- ▶ Logistics Companies
- ▶ Insurers
- ▶ Storage and Warehouse Facilities
- ▶ Manufacturers
- ▶ Brokers
- ▶ Freight Forwarders
- ▶ Moving and Storage Companies
- ▶ Hazmat Haulers

Accidents don't always happen during business hours, which is why we have a 24/7 Rapid Response Hotline staffed by a live operator. Whether your matter involves a

catastrophic accident, a freight dispute, or a hazmat spill, our trucking accident attorneys can be available to you for immediate, on-scene accident and catastrophic loss investigation and representation 24-hours a day, seven days a week.

We have represented clients in all types of transportation law related matters, including:
